About Us.

Introduction

JIK Management Advisory Africa Ltd is a leading multidisciplinary management consulting firm committed to helping organizations improve performance, strengthen governance, and achieve sustainable growth.
We partner with businesses, government institutions, NGOs, and multinational organizations to deliver innovative consulting, auditing, management systems implementation, capacity building, and Health, Safety, Environment, and Quality (HSEQ) solutions.

Guided by internationally recognized ISO standards and the principles of ISO 20700:2017 Management Consultancy Guidelines, we provide practical, measurable, and sustainable solutions that enable organizations to remain competitive in an ever-changing business environment.
With operations spanning several African countries, our team combines industry expertise, global best practices, and local experience to help clients achieve operational excellence and long-term success.

Mission & Vision.

MISSION

- To work with businesses to make distinctive, lasting, sustainable, and substantial improvements in their operational performance that leads to gaining competitive advantage.

VISION

- To be the most preferred management consulting firm that provides professional services to transform businesses to gain competitive advantage.

Our History.

Established in 2015 through the entrepreneurial vision of our founder, JIK began as a management consultancy focused on delivering practical business solutions.
Over the years, the organization has grown through experience, innovation, and a commitment to excellence. To reflect its expanded capabilities and continental vision, the company was rebranded as JIK Management Advisory Africa Ltd.
Today, JIK provides professional consulting services across Africa, serving clients in countries including Uganda, Tanzania, Benin, Senegal, Côte d'Ivoire, South Africa, Nigeria, Togo, Tunisia, Burkina Faso, Niger, Morocco, and Ghana.
Our journey reflects continuous growth, strong client relationships, and an unwavering commitment to delivering world-class management consulting services.

Our Core Values.

INTEGRITY

We conduct our business with honesty and uphold the highest ethical standards in everything we do.

TRANSPARENCY

We communicate openly, provide clear and accurate information, and foster trust through accountability and openness.

EXCELLENCE

We strive relentlessly for excellence by continuously improving ourselves, our team, and the quality of our services.
